

Teacher leadership means...

PERSONAL NETWORKS

Who in my virtual and face-to-face networks will support me in addressing this challenge? Who should I seek to build connection?

What evidence, data, and research support my vision? What information, stories, and data should I seek out?

RESEARCH AND EVIDENCE

CHALLENGE

2015-2016

How might I...

AUDIENCES

Who needs to understand the vision/challenge more fully? What does each person/group care about?

How do I elicit support in addressing my challenge? What platforms and information would best reach each audience?

MESSAGE

My vision for teacher leadership impact is

Four horizontal lines for writing the vision for teacher leadership impact.

This vision impacts student success because

Five horizontal lines for writing why the vision impacts student success.
