

# Teacher-Powered Design Thinking

Introduce yourself to your teammates and share information. Designate person A, person B, and person C.

NAME	SCHOOL	CONTACT INFORMATION
A -		
B -		
C -		

Identify a challenge that you would like help solving.

My challenge \_\_\_\_\_

## Empathy Interviews

PERSON	CHALLENGE (2 MINUTES EACH)	DEEPER INSIGHTS (5 MINUTES EACH)

SCALE

INCUBATE

CULTIVATE

## Define the Problem

A defines for B. B defines for C. C defines for A. (4 minutes)

What is your partner trying to achieve?

What insights did you gain about your partner's feelings and emotions? What is something that you see that maybe s/he doesn't?

\_\_\_\_\_ needs a way to \_\_\_\_\_ because

\_\_\_\_\_.

Share with your team prior to ideation.

## Ideate, Test, and Gather Empathy Data

Ideate - 5 minutes. Gather empathy data. (2 minutes)

PERSON	IDEAS

## Reflect and Generate a New Solution

A designs for B. B designs for C. C designs for A. (3 minutes)

NAME _____

## Prototype - Build a Solution

A builds for B. B builds for C. C builds for A. (10 minutes)

## Test – Share Your Solution

A shares with B. B shares with C. C shares with A. (5 minutes each)

What worked?	What could be improved?
Questions?	Ideas!
